

Warning and Disclaimer

Warning: Electricity is extremely dangerous! Students must not handle plugs, meters or any other electrical devices without adult guidance. Please ensure that your students are aware of this before using any “Flick the Switch” presentations or teaching material in your school or class room. Please read as well the full Legal Disclaimer.

Legal disclaimer:

The Flick the Switch project maintains this website to enhance public access to information about energy efficiency in general. Our goal is to keep this information timely and accurate. If errors are brought to our attention, we will try to correct them however the Flick the Switch consortium accepts no responsibility or liability whatsoever with regard to the information on this site.

The information on this website is:

- of a general nature only and is not intended to address the specific circumstances of any particular individual or entity;
- not necessarily comprehensive, complete, accurate or up to date;
- sometimes linked to external sites over which the project has no control and for which the consortium assumes no responsibility;
- not professional or legal advice (if you need specific advice, you should always consult a suitably qualified professional).

Whilst the Flick the Switch project endeavours to provide that all material and data on this website are accurate, the consortium disclaims liability for any loss or damage, direct, indirect or consequential, in contract, tort or otherwise, arising from reliance on this data, or any actions or decisions made as a result of using this website.
